

## how to measure for a marching band uniform

### Measuring Guidelines

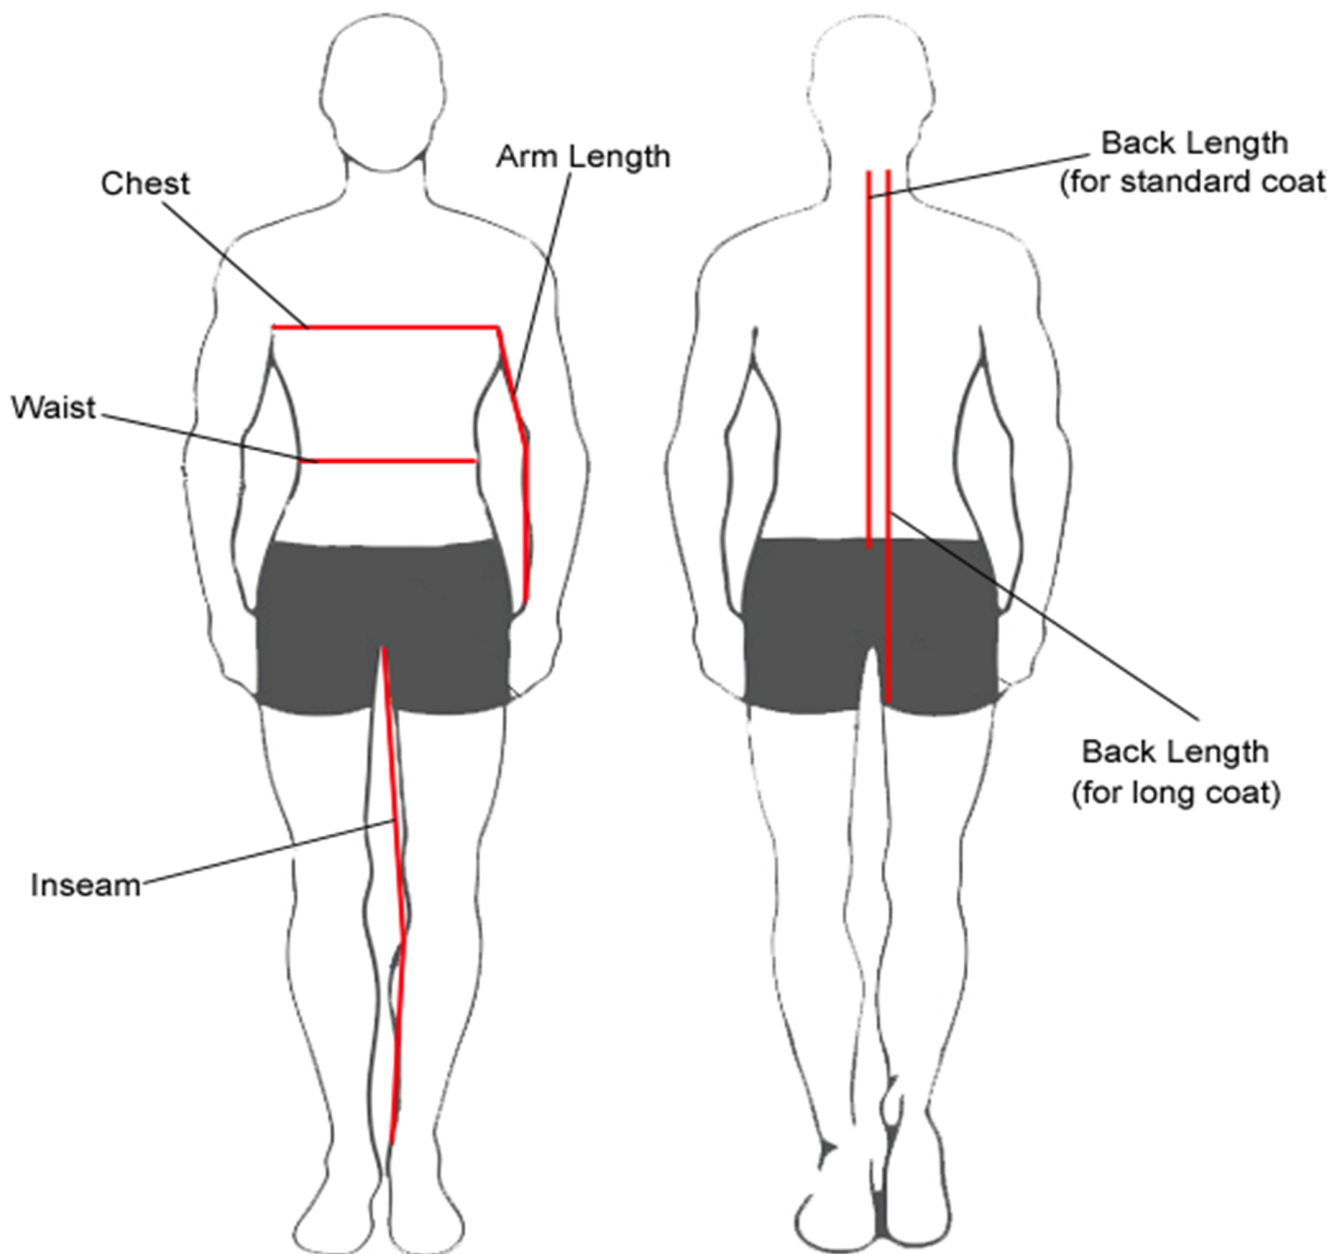

**Chest** - With the arms relaxed to the sides, measure around the fullest part of the chest.

**Waist** - Measure around the narrowest part of the waist.

**Inseam** - Starting at the crotch, go down one leg to the desired length (usually the bottom of the ankle).

**Back Length** - Start at center of neck and go down to the top of the hips. (for long coats, measure down to just below buttocks).

**Arm Length** - With arms at your sides, start at armpit and go down inside of arm to wrist.
